

DW-VFDPT15

No.	Category	Description																																									
1	Full plastic inline duct fan																																										
2	Description	Full plastic construction																																									
3	Type	Inline duct fan																																									
4	Certificate	CB, CE																																									
5	Input Voltage/Hz	110V/60Hz																																									
6	Duct Size	6"/150mm																																									
7	Motor	Capacitor motor, 100% copper coil																																									
8	Bearing	Ball bearing																																									
9	Thermal cut-out protection	Yes																																									
10	Speed	Optional speed: single speed, 2 speed, 3 speed available																																									
11	Time control	External time controller which also as switch																																									
12	Hi	Power																																									
13		Air volume																																									
14		Noise																																									
15		RPM																																									
16		Pressure																																									
17	Mi	Power																																									
18		Air volume																																									
19		Noise																																									
20		RPM																																									
21	Low	Power																																									
22		Air volume																																									
23		Noise																																									
24		RPM																																									
25		Pressure																																									
26		Material																																									
27		Application area																																									
28		Protection Grade																																									
29	Mounting																																										
30	Gross weight per carton																																										
31	Package																																										
32		<div style="display: flex; align-items: center;">  <table border="1" style="border-collapse: collapse; text-align: center;"> <thead> <tr> <th rowspan="2">Model</th> <th colspan="4">Dimensions mm</th> <th colspan="2">Installation mm</th> </tr> <tr> <th>A</th> <th>B</th> <th>C</th> <th>D</th> <th>E</th> <th>F</th> </tr> </thead> <tbody> <tr> <td>DW-VFDPT10</td> <td>258</td> <td>ø99</td> <td>216</td> <td>178</td> <td>80</td> <td>60</td> </tr> <tr> <td>DW-VFDPT12</td> <td>258</td> <td>ø123</td> <td>216</td> <td>178</td> <td>80</td> <td>60</td> </tr> <tr> <td>DW-VFDPT15</td> <td>304</td> <td>ø148</td> <td>248</td> <td>204</td> <td>93</td> <td>60</td> </tr> <tr> <td>DW-VFDPT20</td> <td>300</td> <td>ø196</td> <td>275</td> <td>210</td> <td>114</td> <td>85</td> </tr> </tbody> </table> </div>	Model	Dimensions mm				Installation mm		A	B	C	D	E	F	DW-VFDPT10	258	ø99	216	178	80	60	DW-VFDPT12	258	ø123	216	178	80	60	DW-VFDPT15	304	ø148	248	204	93	60	DW-VFDPT20	300	ø196	275	210	114	85
